NOTE FOR: Chief, House Division

SUBJECT: DCI World Wide Briefing to HAC/Defense

1. John Helgerson stopped in with a draft of the DCI Briefing for the HAC/Defense. He said it was done by Griesse and Latell. He thought it was pretty good and we are to coordinate with them and tell them same after we have looked it all over.

2. John wants us to have a briefing book for the Judge by tomorrow. He wants:

Cover memo to Judge for him to sign.

State we used to do this briefing for all four of the oversight committees.

HAC likes it and has requested that we do it.

Recommend that he read it carefully, particularly the portion that answers the questions they have asked.

Prebrief will be on Friday and that _____ will be in attendance and that they and Helgerson will accompany him to the brief.

Theat there are four briefing boards and handouts for use with the brief.

Wants the Tabs to be:

One to contain the DCI testimony.

One a list of committee members and anything we may wish to note about them. Include that we briefed the subcommittee last week on CW and any comments we want to make.

One to contain a bio on the Chairman and the ranking minority. We can note that Murtha will be more active than Chappell was.

3. I'm sure that I forgot something.
